

Supplement 1. Hudson's Bay Company post journals and other archival materials examined for walrus data

This supplement lists archival materials other than ship logbooks (Supplement 2) that were examined by R.R. Reeves, D.B. Stewart, and/or J.W. Higdon. Some of these materials were cited in the text, while others contributed information on hunting or catches that are summarized in Tables 1 to 4 and Supplements 3 and 4. Abbreviations used here include HBCA (Hudson Bay Company Archives), NAC (National Archives of Canada), and PAC (Public Archives of Canada--now NAC).
