Nordic Council of Ministers

- Anno 1971
- Intergovernmental Organization (IGO)
- Consensus based
- No legislation
- Nordic Utility
- Publishing and funding
- Financed by the countries
Two years ago...

- Great OA activity in all the member countries
- No regional OA collaboration
- No OA activity at the Nordic Council of Ministers
- A need for modernization
Regional opportunities

- Knowledge sharing
- Common events
- Common projects
- Access to the highest political level
- International dialogue
- Awareness and advocacy
- ...

Organization (more or less)

- Secretariat in Copenhagen
- 32 institutions and offices
- 34 working committees
- 22 cooperation partners
- 500+ projects annually

Open Access

The key question is: How can we increase the usability of all this knowledge we are producing? Open Access is a means of enhancing the use and benefit of our investment in generating knowledge.

Dagfinn Haybråten, Secretary General of the Nordic Council of Ministers

- Longterm archiving
- Modernizing the distribution
- Rationalizing through common investment
To be launched February 2014
The Making of a Mandate
Policy Step # 1

NCM funded and published publications
Open Access mandate
Linked to Nordeana
Creative Commons recommendation
Policy Step # 2

NCM funded publications (externally published)

Commissioned by the Ministers of Research?

Linked to Nordeana

Capturing all the research output derived from NCM funding
Policy Step # 3

- Common standard for OA mandates in the Nordic Region?
- A regional OA forum?
- Regional projects?
Policy Step # 4

Open Data - derived from NCM funding
<table>

<tr>
<td>Measuring the effect</td>
</tr>
<tr>
<td>Adjusting accordingly</td>
</tr>
</tbody>
</table>
To summarize

- There is an existing Nordic platform for collaboration
- Open Access is on the agenda in the Nordic Council of Ministers
- There are many practical problems
- There are lots of regional opportunities to be explored
- Let’s enter the next stage through collaboration!
Thank you!
