The College of Veterinary Medicine, Helsinki, Finland.

First invitation and call for abstracts:

EXPERIENCE LAPLAND IN PARIS, January 14 - February 15, 1994

SCIENTIFIC SEMINAR

Topic:

Reindeer and other semidomestic ruminants

Location:

Institut Finlandais, Paris

Organizers:

College of Veterinary Medicine, Helsinki,
Research Institute of Reindeer Husbandry, Rovaniemi
École Vétérinaire d'Alfort, Paris

Date:

14 - 15 January, 1994

The seminar will deal with the biology of reindeer and semidomestic ruminants, reindeer husbandry, illnesses, parasites, restraint and anaesthesia as well as meat production and meat hygiene.

The experts of both reindeer husbandry and veterinary medicine are invited to give presentations. All researchers in this field have an opportunity to give an oral presentation of 15-20 minutes or to send a poster.

Seminar languages are French and English. The lectures given in English will be interpreted in French.

Abstracts (one page) are to be sent to:

Professor Ilkka Alitalo, College of Veterinary Medicine,
Hämeentie 57, P.O.Box 6, SF-00581 Helsinki, Finland.

The deadline for submission of abstracts is September 30, 1993.

There is no registration fee.

A display of reindeer husbandry and reindeer meat will be arranged in connection of the seminar. There may also be an opportunity to visit some of the deer farms in France.
